Rules

- High Card Points (HCP) are the main method of determining the value of a hand

Card	Value
A	4
K	3
Q	2
J	1

Rule of 12

- A common rule for determining whether to open with a hand is to count the HCPs and open if you have 12 or more.

Rule of 20

- An alternative, which also takes into account the shape of a hand, is the Rule of 20.
- The Rule of 20 is a calculation to see if your hand has opening strength.
- Count HCP and then add the lengths of your 2 longest suits, if this is 20 or more, you can open.

Openers
